**IMPORTANT: INTERSECTION OF PASEO DEL NORTE AND UNSER BLVD TO BE 4-WAY STOP FRIDAY, MAY 15**

*Motorists Should Use Extra Caution At the Intersection*

**Update as of Friday, May 15, 2026**

Titan Construction, on behalf of PNM, is de-energizing the traffic signal at the intersection of Paseo Del Norte and Unser Blvd. for construction.

**Friday, May 15, 2026, the intersection of Paseo del Norte and Unser Blvd. will be a 4-way stop from 9 a.m.-4 p.m.**

Motorists should use extra caution in the area and remember these steps to navigate the intersection safely:

1. **Come to a Complete Stop:** Stop behind the stop line. Do not "roll" through the stop.
2. **First Come, First Served:** The first driver to reach the intersection goes first.
3. **Simultaneous Arrival (Right-Hand Rule):** If two vehicles arrive at the same time, the driver on the right has the right of way.
4. **Left-Turn Yields:** If you are turning left and facing another vehicle going straight, you must yield to them.
5. **Opposite Directions:** If two cars arrive opposite each other, and both are going straight, they can go simultaneously. If one is turning left, the right-turning vehicle generally takes priority.
